++ Valid for broadcast between 1800 and 0600

Headline:
Dry but becoming increasingly hot over the following days.

This Evening and Tonight:
Fine and dry with clear spells for many, with some isolated mist and fog patches forming in some rural spots before dawn. Perhaps cloudier along the east coast. Minimum temperature 11 deg C (52 deg F).

Friday:
Early mist and patchy cloud quickly clearing to leave a fine and dry day, with plenty of warm sunshine. A little cooler in Kent, with an onshore breeze. Maximum temperature 27 deg C (81 deg F).

Outlook for Saturday to Monday:
Dry with plenty of sunshine over the weekend, feeling hot by day inland. Turning a bit cloudier and therefore less hot on Monday, with the odd heavy shower possible.
